Objective

Seeking an internship opportunity to apply what I have learned and sharpen my skills, gain experience to start my journey to become a frontend developer and deepen my knowledge of Reactjs.

About me

I am an IT and Tech enthusiast with an inquisitive mind, willing to learn beyond boundaries. Also, I am a cricket, carrom, and volleyball player and a believer in the power of teamwork and its role in achieving goals. Eager to contribute my knowledge, sports-driven values, and collaborative spirit to impactful projects.
